The University of Mississippi
Forgiveness Policy

An undergraduate student may improve his or her overall GPA by invoking forgiveness or exclusion on a maximum of four courses (not to exceed 14 credit hours) in which the student received a grade of C-, D or F and requesting that the original grade be excluded from the GPA calculation. If the course has been repeated, the repeat must be in the same course and must be taken at The University of Mississippi in fall 1992 or later. Under the forgiveness policy, a maximum of two courses (not to exceed 7 hours) in which the student received a grade of C-, D or F may be excluded from the student’s GPA calculation without repeating the course.

The student must file a Petition to Invoke Grade Forgiveness Policy with the registrar, stating which courses are to be forgiven or excluded. Once the student has declared one course, a different course cannot be substituted at a later date. The forgiveness policy cannot be used to remove grades given for reasons of academic discipline. Forgiveness of a course grade will not change notations concerning academic standing or honors in the student’s official record for the semester containing the forgiven course.

Although original grades will remain on the student’s permanent record, the forgiven or excluded grades will not be used to determine credit towards a degree and GPA. The original course will be recorded with both the grade earned and the symbol R to denote that it has been removed from the student’s GPA calculation either because it was repeated or excluded. The recalculated GPA will be used for determining graduation honors.

The forgiveness policy does not apply to students enrolled in the professional program in the School of Pharmacy for grades received in required professional courses as designated in the curricula for the B.S. in Pharmaceutical Sciences and Doctor of Pharmacy degree.

Policy Code ACA.AR.200.003

In petitioning to invoke the “forgiveness policy” to be applied to a previously-earned grade on my academic record, I certify that I am aware of the following conditions:

1. Only a grade of “C-”, “D” or “F” may be forgiven.
2. Only four grades (maximum of 14 hours) may be forgiven or excluded during the undergraduate career.
3. A different course may not be substituted once this petition is approved.
4. The course which is used to replace the “forgiven” grade must have been taken fall 1992 or later.
5. Both the first attempt and the repeated course must have been taken at The University of Mississippi and must have occurred prior to receiving the baccalaureate degree.
6. Both grades remain on the transcript; an R will appear by the original grade (denoting that the course was repeated and “forgiven”); and only the grade in the repeated course will be used in computing the cumulative University grade point average.
7. A forgiven “C-”, “D” or “F” will not change the academic standing which existed prior to the repeated course.
Grade Forgiveness  (For a repeated course)

Grade forgiveness forms must be submitted AFTER completion of the repeated course and BEFORE graduation.
